Southeast Florida: Resilient Redesign

Miami, August 10-13, 2014

Case Studies from 2014 and 2015

Dania Beach 2014

- City has held stakeholder workshops over the past two years.
- City is actively permitting dense development near the city center (US-1/ Dania Beach).
- Seawall ordinances and resiliency standards are forthcoming pending the results of the update of the 100-year community flood map and USACE resiliency study.
- The first Adaptation Action Area in the county overlapped part of Dania Beach.
- Two proposals in the queue to continue work with the EPA to develop a strategy and with NOAA to look at economic opportunities/ risk along redevelopment corridors in Dania Beach.

Delray Beach -2015

- Created Rising Waters Task Force (2014)
- SLR Topic - Town Hall Meetings
- Comp Plan Update - Revisit RR2 designs

Special Thanks!
