

Home Ports: Success Stories from SE FL
Adaptation Action Areas

CITY OF FORT LAUDERDALE

What are Adaptation Action Areas?

Florida State Community Planning Act 2011

Florida Growth Management Act

Sec. 163.3164(1) and Sec. 163.3177(6)(g)(10)

An optional comprehensive plan designation for areas that experience coastal flooding and that are vulnerable to the related impacts of rising sea levels for prioritizing funding for infrastructure and adaptation planning.

A Region Responds to a Changing Climate

Southeast Florida Regional Climate Change Compact Counties

Regional Climate Action Plan

October 2012

AAAs in the RCAP

Sustainable Communities Recommendations Category

- Goal 1 : Reduce financial and physical losses in our building stock reshaping where and how we build

NEXT STEPS

1. Proceed with existing CIP projects
2. Annual review of new projects and location for AAA designations during budget process
3. Determine locations where improvements warrant removal of AAA designation

ADAPTATION ACTION AREAS
